Front row: Penny Baker, President; Joan Olson, Recreation; Selma West, Social Service; Marie Green, Welfare; Freda Stanley, Dramatics; Helen Hill, Jean Allen, Wanda Peterson, Patricia Sorensen, Back row: Frances Ann Young, Margaret Henry, Dorothy Sorenson, Janet Sorenson, Douglas Ann, Anne Lee, Mary Jane Stewart.

The Girl Reserves at Washington as junior Y. W. C. A. members have proven themselves very worthy of their title. They have worked in co-operation with the Red Cross, Community Chest, Y. W. C. A., American Legion, Y. M. C. A., Hi Y, and have given aid to many not only in the school, but in the community also. They contributed much to the clothing drives and other drives in which they were asked to participate.

The cabinet and officers as leaders have given to the club many parties and socials at which they have been successful in planning and parties in the coming years. They have worked with the girls not only in the school but in the community. They have been successful in their efforts to help the girls in the community to work with other girls and to cooperate and work in this Christian manner which Girl Reserves signifies.

The success of the Lincoln Girl Reserves, which is sponsored by Miss Kathleen Clancy, is due to the enthusiasm, attitude, and participation of the girls. The regular weekly programs for every Wednesday were the girls' greatest joy. The girls are always ready to help in any way they can.

An outstanding program of the Lincoln Girl Reserves was the Christmas Vespers Service. This service was held in the Lincoln Auditorium on Saturday, December 1st. The program was a beautiful one and was provided by the Lincoln Girl Reserves under the direction of Mr. Lester.

As a means of raising money for the club, besides the membership dues, the girls also sold popcorn and candy at the home for the Christmas. The girls also participated in the annual Christmas and Thanksgiving collection of canned goods for the Y. W. C. A. World Food Cup Fund.

Lincoln Hi-Y kept a lively interest in their club this year, by having varied programs. The speakers of many professions, and the student participation was highly responsible for their success.

One of the most outstanding features of Lincoln Hi-Y was a Youth Movement Assembly, which carried throughout the school and community, the clubs theme "High Standards of Christian Character." The club also made a contribution to the "March of Dimes."

The Hi-Y members took their turns at selling candy bars and popcorn at the football games, and also sold newspapers for the football fund. A successful Hi-Y year, fine and prosperous year with the interest and participation of every member.

★★★★★

and Bruce Duck sponsor entered into plans for a series of activities. Outstanding among the year's events were the vocational programs in which many business leaders from the city were brought in to talk about their occupations.

Social get togethers were held throughout the year, as well as open houses held at the Y. M. C. A. in which the facilities of the Y were turned over to the Hi-Y.

To replenish the clubs treasury, the Hi-Yers handled the program sales for the State Class A basketball tournament and likewise throughout the year used their best persuasive manner in selling football and basketball programs. Their greatest factor in being able to do this was the winning spirit of co-operation among the boys, without which any club could not function.

DEBATE CLASS

Left to Right: **Back Row:** Dale Johnson, Melvin Clingan, Jack Howard, John Weckel; **Second Row:** Dorman Allison, Phyllis Lou Johnson, Kathryn Johnson, Rowena Ross; **Front Row:** John Griffin, Nancy Anderson, Carol Bass and Lee Roy

2,540 miles covered, attendance at two speech clinics, and entrees in nine tournaments is the record achieved by this year's debate squad, which was made up of sophomores, juniors and seniors.

Under the guidance of Jim Kershner, who spent his first year in the Salina school system this year, the debaters established a record of no small means. To start the season out right, Salina reached the semi-finals to take third in the Topeka tournament. Following up, Salina took first both in individual teams and as a school at the Russell tournament and at McPherson ranked second. In the C K L. contest, second place went to Salina, and in the district tournament Salina also took second. Because of the high ranking in the district tournament, Salina took its place as one of the six top teams in the state to compete

at the state finals, held at Lawrence, Kansas. Salina came out in a tie for third.

The topic for the year was one of timely nature, "Resolved: That every able bodied male in the U. S. should have one year of full time military training before attaining the age of 24." Congress was discussing the issue, and new evidence and material came out all during the season, keeping the debaters busy getting arguments for and against all the new issues.

The first team of debaters was composed of Phyllis Lou Johnson, Kathryn Johnson, Rowena Ross, Melvin Clingan, Jack Howard, and John Weckel. These debaters attended the maximum limit of five tournaments, plus the C. K. L. district, and state tournaments, winning 71% of their debates.

REPRESENTATIVE BOY

From among the senior class of '46 was chosen this year a boy well deserving of the honor. Jack Howard, selected Representative Boy of 1946 by the senior class and the Washington faculty, easily measures up to the standards of this position—comradeship, achievement, cooperation, dependability, and character.

Jack was always a leader in his class. An active member of H-Y, he was its president in his sophomore and senior years. He was president of the class in his junior year. Lettering

in debate in his junior and senior years, he was President of the National Forensic League as a senior. He served as advertising manager of the Salina High News.

Jack was active in sports, lettering in football as a senior and in tennis for three years. Besides his interest in sports he also ranked high scholastically. He was a member of the 1945 State Scholarship Team placing first in constitution. Jack was a member of the National Junior Honor Society as a sophomore and of the National Honor Society as a senior.

REPRESENTATIVE GIRL

Peggy Baker chosen from among the senior girls as Representative Girl for '46 is a girl truly deserving this honor. Elected by the senior class and the Washington faculty, Peggy lives up to the requirements of comradeship, achievement, cooperation, dependability, and high ideals.

Peggy has been very active throughout her high school years. As secretary of the freshman class and as a member of the student council as a freshman and junior she has proved her

leadership in the class. She has been a member of the Girl Reserves Cabinet every year and was elected President of Washington G. R. as a senior. Peggy was a member of the cast of "Spring Green" as a junior. In her senior year she was elected to the National Honor Society.

An enthusiastic sports fan, Peggy was a cheerleader in her junior and senior years. Her pleasing personality and dependable leadership make Peggy truly representative of the class of 1946.

The Letterman's Club in its second year at SHS has served the school in many ways. The club sponsored several beneficial projects, they sold tickets to the "B" football game with Solomon to the three high schools and netted 225 dollars which was given to help pay the bill of a football player who had broken his leg. Also they were in charge of keeping the records to date. Some future projects discussed by the group include erecting a trophy case at Lincoln High School and also sodding the football practice field at the Salina High stadium. Members of Letterman's Club include all athletes of SHS who have lettered in Football, Basketball, Track, Tennis, Golf and Wrestling.

MOST • VALUABLE • ATHLETES

For the first time in the history of Salina High School two boys have been selected unanimously for the honor of Most Valuable Athlete of Salina High School. Chosen because of their outstanding feats in the field of athletics by the Salina High Athletic Board as the most valuable athletes of the year 1946, we are proud to present to you Bob Knight and Aubrey Linville.

His selection as one of the Most Valuable Athletes of the Class of '46 has brought to a climax Bob Knight's outstanding sports career at S.H.S. The selection each year is based on Training, Morale, Sportsmanship, Loyalty and Record. Bob ranks high in all these merits. Bob has won eight varsity "S" awards, four each in football and track. Winning the State Class A shot put and discus title in 1945 setting a state record discus throw of over 156 feet, being 2nd All American High jumper by Look Magazine and full back on the 1946 Daily Capital's Team. are just a few of the many honors Bob has won. He has won many first places and truly deserves a first place among Salina High athletes.

Selected as one of the Most Valuable Athletes of 1946 is Aubrey Linville. Chosen on the merits of Training, Morale, Sportsmanship, Loyalty, and Record, Aubrey has an outstanding record in all fields. Lettering six years in football, and three years in track and basketball makes "Aub" an eight letterman. Aubrey was undoubtedly the greatest wrestler in the history of the school. He was selected end on the 1947 All-CKL football team and was selected on the Topoka Daily Capital's 2nd All State Team. In basketball Aubrey was recognized by coaches and officials alike as a top flight guard and one of the best rebounders in the state. He played a regular guard spot on the 1945 AA State Champion Team and was selected on the All-State five as guard. He was selected this year on the 1946 All-CKL Basketball Team. To round out a year's activity, Aubrey runs the hurdles and broad jumps on the Salina High Track Team. To a star player was given the star honor of having a first place in athletic recognition.

REMEMBER WHEN

When we were kids
And U-M's and Louie's Duet a scream
Every day P.B. to third floor would go,
What to see M.P. I bet he had a book
Look it over upon his notebook had I B.P. law book
MY, my! what Father Time hides!

Life in Lincoln was certainly different
Remembering freshman initiation
That was at the time
And the group!

We are on our journey of memories
Till we reach our last stopping place
There were many things to do
We were busy and parties too.
Our memories tell how they won the state
And that was an important day
For the rest of the year.

Guess we seniors should leave a well
For the rest of the studies who will climb that long, long
hill.
To these poor studies we leave behind
We leave you the thought of all the good times
We had in this school
That will be a part of you
Now we are leaving you
We wish you success and know
That you'll fill our places and soon be
To the senior class of S.H.S.

CLASS PROFILE OF '46

Once while reading my history I
I was wondering who would be next
To sit in the chairs where we bunked
And all so gallantly flunked
I wonder if years gone by
At dear old Washington Hi
Had sported such ambitious studies
As the class of '46 includes
And I wondered, if after we pass
Just what would become of our class—
Now I see in my own mind's eye
What lies in the by and by
First, I see a man big and burly
It's Orville with his little bride, Shirley.
They're setting up housekeeping now
With five little chicks and a cow.
And Katherine and John, to boot
Are preparing to follow suit.
The girl voted "Nation's most wholesome"
Is our one and only Joan Ohlson
While the title "most unlikely to become"
Is supported by screen-star, Fred Norr
Gorgann now makes her debut
In a dance that is shockingly new.
Her assistant, whom she swings by the ear,
Is the courageous Jerry Vanier.
To Hogan, a bouquet of flowers,
For her modeling with John Robert Powers.
The heavyweight championship goes
To the champ who's up on his toes.
And Steve's finally confided,
That to be a bachelor is what he's decided.
The best-selling book is McClanathan's
conception
Of "How to Catch a Man in One Easy Lesson."

The Quality Line

While whizzing around every coib,
Is New York's speed-demon, McLeod.
The corporation for mowing your lawn,
Is the thriving business of Ruthie Baughan
The ballet has gained something new,
As Mary Ann Levin makes her debut.
Look out or she's liable to biff us,
I mean lady wrestler, Doris Gruffis.
Jimmy Nyberg has turned symphonic,
Playing tuba in the Philharmonic.
Ethel Barrymore's place has been taken,
By Miss Smith whose class is forsaken.
Lebow's world-wide lectures afford,
"How to harmonize a dischord."
The actor that all women adore,
Is "man of the world" Charlie Moore.
The saleswoman who knows how to sell,
Is the fuller-brush gal, Iva Belle.
The town's loveliest samplers are made,
By Dee Dee, who is still an old-maid.
One act that Broadway will clap,
Is Howard and Lemon's duo tap.
The latest in opera singers,
Is our cute baritone, Norman Wenger.
Baker gives up her job as a teacher
To head down the aisle with a preacher.
While Jack Howard gets in some messes,
With Phyllis Lou in "Battle of the Sexes."
And as for my future, I see
A starving poet I'll probably be.
But leave us not tary so long,
And come to the end of this song
So now I will get to the point—
Whenever our class leaves this joint,
You'll see, what you already knew.
The class of '46 come "smilin' through."

ODE TO WASHINGTON

To many studes in years gone by
It's offered shelter, knowledge, fun,
But now it's "worn out," and "no good,"
So new school plans have been begun.

For 38 years this grand old place
For opportunity has stood
And through its doors the students pass
And make their grades, both bad and good.

Knowledge is sought (and sometimes gained)
Within its ancient wall,
In spite of all restrictions,
A good time is had by all.

The faculty and students
May always come and go—
But Washington will carry on
Until replaced, we know.
